

2017 GMP MEETING

SPONSORSHIP OPPORTUNITIES

Espace St. Martin, Paris, France

25th - 27th October 2017

The Groupe de Métabolisme et Pharmacocinétique (GMP) is happy to announce sponsorship opportunities for its 29th annual meeting.

The meeting will be held in Paris on 25th to 27th October 2017. The aim of the meeting is to produce a lively open discussion around the key topics of interest with delegates from a wide range of companies from Europe. The draft of scientific program will be available soon on the GMP website (www.gmp.asso.fr).

There are a number of sponsorship packages on offer to enable sponsors to fully participate in the meeting and the scientific discussion. Where possible we strongly encourage each sponsoring company to send scientists to attend as the delegate pass will include access to all of the talks and the poster session. Additional information about the GMP can be found on its website.
