

2020 GMP symposium

SPONSORSHIP OPPORTUNITIES

Institut Pasteur, Paris, France

21 -23 October 2020

The “**Groupe de Métabolisme et Pharmacocinétique**” (GMP, Group of Metabolism and Pharmacokinetics) is happy to announce sponsorship opportunities for its **2020 annual meeting**. The meeting will be held in **Paris** from 21st to 23rd October 2020. The aim of the meeting is to produce a lively open discussion around the key topics of interest with delegates from a wide range of companies and groups from Europe. You will find additional information and the scientific program of the symposium regularly updated on the GMP website (www.gmp.asso.fr).

We offer **four sponsorship packages** to enable sponsors to fully participate in the meeting and the scientific discussion. When possible, we strongly encourage each sponsoring company to send scientists and students to attend: the delegate pass includes access to all the talks and the poster session.

All sponsor levels offer the following opportunities:

- ✓ name and logo in conference papers
- ✓ logo on GMP web site (symposium page)
- ✓ logo on rolling slides during the symposium
- ✓ abstract and poster
- ✓ 250 words company profile in conference brochure
