

2020 GMP virtual symposium SPONSORSHIP AGREEMENT

September -October 2020

Due to COVID-19 pandemic, the **2020 annual meeting** of “**Groupe de Métabolisme et Pharmacocinétique**” (GMP, Group of Metabolism and Pharmacokinetics) will take place as a **virtual symposium** based on five 1h- or 1.5h- webinar sessions, every friday from September 18th to October 16th 2020. The aim of the meeting is to produce a lively open discussion around the key topics of interest with delegates from a wide range of companies and groups from Europe. You will find additional information and the scientific program of the symposium regularly updated on the GMP website (www.gmp.asso.fr).

- all communications from the company around the webinar will be sent at least 3 opening days before to be communicated for upstream approval by GMP board
- Attendance to the webinar will be opened to all in possession of the link, which will be distributed through GMP and the company’s networks
